Membership in Professional Organizations:

Experience with APTI and other Preservation Organizations:

Chris has been professionally involved in Preservation Technologies in a career spanning English Heritage, The Getty Conservation Institute and the private sector. He has been an active member of WCAPT for many years, a principal organizer of the successful APTI conference in LA in 2010, as well as 3 years on the Main Board of Directors of APTI. His aims are to promote the organization through exciting events that inform and bring members together, attract students through more education outreach, form collaborations and partnerships with other organizations.

Other Information:

Affiliations

- Chair - Close Range *American Society of Photogrammetry and Remote Sensing*
- USA delegate for CIPA - *International Council of Architectural Photogrammetry*
Professional member of Royal Institution of Chartered Surveyors

Frequent lecturer - USC School of Architecture - Preservation Programme
Published and presented at APTI, CPF, CIPA, ASPRS and various specialist international preservation and 3D building survey conferences.

Vision Statement for APTI –Western Chapter:
